TRANSFER ORDER

Before the entire Panel¹, Plaintiff in the action pending in the Eastern District of Louisiana, has moved, pursuant to 28 U.S.C. § 1407, to centralize this litigation in the District of Puerto Rico or, alternatively, in the Eastern District of Louisiana. This litigation currently consists of moving plaintiff's action and one action pending in the District of Puerto Rico.¹ Plaintiff in the latter action supports centralization in the District of Puerto Rico. Plaintiffs in potential tag-along actions pending in the Central District of California, the Southern District of Florida, the District of New Jersey, the Southern District of New York, and the District of Puerto Rico have submitted responses in support of centralization. These plaintiffs suggest a variety of fora for transferee district, including the Southern District of Florida (favored by plaintiffs in the action pending in that district), the District of New Jersey (favored by plaintiff in the action pending in that district, as well as plaintiff in the Central District of California action), the Southern District of New York (favored by plaintiffs in eight actions pending in that district), and the District of Puerto Rico (favored by plaintiffs in the action pending in that district). Responding defendant SmithKlineBeecham Corp. d/b/a GlaxoSmithKline (GSK) initially opposed the Section 1407 motion, but now supports centralization in the Eastern District of Pennsylvania.

¹ Judge Heyburn took no part in the disposition of this matter.

The Panel has been notified of 28 additional related actions pending in the Western District of Arkansas, the Central District of California (two actions), the Southern District of Florida (two actions), the Southern District of Illinois, the Southern District of Indiana, the Eastern District of Louisiana, the District of New Jersey, the Eastern District of New York, the Southern District of New York (ten actions), the Northern District of Ohio, the Eastern District of Oklahoma, the Eastern District of Pennsylvania, the District of Puerto Rico, the Eastern District of Tennessee, the Western District of Tennessee, and the Eastern District of Texas (two actions). These actions and any other related actions will be treated as potential tag-along actions. See Rules 7.4 and 7.5, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001).

On the basis of the papers filed and hearing session held, we find that these actions involve common questions of fact, and that centralization under Section 1407 in the Eastern District of Pennsylvania will serve the convenience of the parties and witnesses and promote the just and efficient conduct of the litigation. Both actions arise from allegations that certain diabetes drugs manufactured by GSK – Avandia and/or two sister drugs containing Avandia (Avandamet and Avandaryl) – cause an increased risk of heart attack and other physical injury, and that GSK failed to provide adequate warnings concerning that risk. Centralization under Section 1407 will eliminate duplicative discovery, avoid inconsistent pretrial rulings, and conserve the resources of the parties, their counsel and the judiciary.

We are also persuaded that the Eastern District of Pennsylvania is an appropriate transferee district for pretrial proceedings in this litigation. GSK's principal place of business is located in that district, and thus many witnesses and documents relevant to the litigation are likely to be found there. In addition, one of the potential tag-along actions was commenced in the Eastern District of Pennsylvania.

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, the two actions are transferred to the Eastern District of Pennsylvania and, with the consent of that court, assigned to the Honorable Cynthia M. Rufe for coordinated or consolidated pretrial proceedings.

THIS DOCUMENT APPLIES TO: :
ALL ACTIONS :

CASE MANAGEMENT ORDER NO. 1

AND NOW, this 28th day of February 2008, upon consideration of the Order of the Judicial Panel on Multidistrict Litigation [Doc. No. 1], it is hereby **ORDERED** as follows:

1. **APPLICABILITY OF ORDER.** This Order shall govern the practice and procedure in the actions transferred to this Court by the Judicial Panel on Multidistrict Litigation pursuant to its order of October 16, 2007, all related actions originally filed in this Court or transferred or removed to this Court, and any "tag-along" actions transferred to this Court by the Judicial Panel on Multidistrict Litigation pursuant to Rule 12 of the Rules of Procedure of the Panel, subsequent to the filing of the final transfer order by the Clerk of this Court. The current list of such cases is attached hereto as "Schedule A."

2. **CONSOLIDATION.** The actions described in Paragraph One of this Order are **CONSOLIDATED** for pretrial purposes.

A. **FUTURE ACTIONS.** Any "tag-along" action later filed in, removed to or transferred to this Court, or related cases directly filed in the Eastern District of Pennsylvania, shall automatically be assigned to the undersigned and be consolidated with this action.

B. LIMITATIONS. This consolidation does not constitute a determination that the actions described in Paragraph One of this Order should be consolidated for trial, nor does it have the effect of making any entity a party to any action in which he, she or it has not been named, served or added in accordance with the Federal Rules of Civil Procedure.

3. INITIAL CONFERENCE. An initial pretrial conference will be held for the purpose of addressing matters relating to pretrial and discovery proceedings in these cases. The conference shall be held on **Tuesday, April 8, 2008, at 10:00 a.m.**, in Courtroom 12A of the James A. Byrne United States Courthouse, 601 Market Street, Philadelphia, Pennsylvania.

A. GENERAL RESPONSIBILITIES OF COUNSEL. Counsel are expected to familiarize themselves with the Manual for Complex Litigation, Fourth ("MCL 4th"), and be prepared at the conference to suggest procedures that will facilitate the expeditious, economical, and just resolution of this litigation.

B. APPEARANCE AT CONFERENCE. One attorney representing each party shall appear at the pretrial conference. To minimize costs and facilitate a manageable conference, parties with similar interests may agree to have an attending attorney represent their interest at the conference. Any party appearing through a designated attorney instead of its attorney of record shall serve written notice of such arrangement on the Court at Chambers (Room 12614) **on or before Tuesday, April 1, 2008.** By designating an attorney to represent its interest at the conference, a party will not be precluded from other representation during the litigation, nor will attendance at the conference constitute waiver of any objections to jurisdiction, venue or service.

C. AGENDA. The parties shall confer and submit a joint proposed agenda for the conference **on or before Tuesday, April 1, 2008.** In the event the parties cannot agree on particular

items, they shall include in the proposed agenda brief statements of their respective positions. The parties should be guided generally by reference to the items listed in MCL 4th Sections 22.6, 22.61, 22.62, and 22.63, insofar as they are applicable. However, the proposed agenda must include these items: discovery plan, amendment of pleadings, and consideration of class action allegations and motions. The proposed agenda shall be submitted to the Court by filing the original and serving two copies on the Court at Chambers.

D. PRE-CONFERENCE SUBMISSIONS. In addition to any notices of designated counsel as described in Paragraph 3.B and the joint proposed agenda described in Paragraph 3.C, the parties shall submit the following items to the Court as specified below.

1. POSITION STATEMENT. Plaintiffs and defendant shall submit to the Court at Chambers, **on or before Tuesday, March 25, 2008**, a brief written statement of their preliminary understanding of the facts involved in this litigation and the critical legal and factual issues. These statements will not be filed with the Clerk, will not be binding, will not waive claims or defenses, and may not be offered in evidence for any purpose in later proceedings. The parties' statements shall list all pending motions, as well as all related cases pending in state or federal court, along with their current status, including any discovery taken to date, to the extent known. The parties shall be limited to one such submission for all plaintiffs, and one such submission for defendant.

2. PROPOSED CASE MANAGEMENT ORDER(S). The parties shall confer and submit one or more joint proposed case management order(s), as appropriate, **on or before Tuesday, April 1, 2008**. In the event the parties cannot agree on particular items, they shall include in the proposed order(s) brief statements of their respective positions. The proposed order(s)

must include detailed provisions regarding discovery, including e-discovery, insofar as is practicable at this time.

3. APPLICATIONS / NOMINATIONS. It is the Court's intent to select liaison counsel for the plaintiffs and liaison counsel for the defendant to perform largely administrative functions, and to appoint a Plaintiffs' Steering Committee to conduct and coordinate the discovery stage of this litigation with the defendant's representatives. Following is a nonexclusive description of the basic responsibilities of liaison counsel and the Plaintiffs' Steering Committee, and of the selection process the Court will use to fill these positions.

a. **LIAISON COUNSEL.** Prior to the initial pretrial conference, counsel for each group of parties whose interests are similarly aligned shall confer and seek consensus on candidates for the position of liaison counsel. Appointment of liaison counsel shall be subject to the approval of the Court. Liaison counsel will be charged with essentially administrative functions. For example, liaison counsel shall be authorized to receive orders and notices from the Court on behalf of all parties within their liaison group and shall be responsible for the preparation and transmittal of copies of such orders and notices to the parties in their liaison group and the performance of other tasks determined by the Court. Liaison counsel shall be required to maintain complete files with copies of all documents served upon them in hard copy or electronic form. Liaison counsel shall make such files available to parties within their liaison group upon request. Liaison counsel are also authorized to receive orders and notices from the Judicial Panel on Multidistrict Litigation pursuant to Rule 5.2(e) of the Panel's Rules of Procedure or from the Court on behalf of all parties within their liaison group and shall be responsible for the preparation and transmittal of copies of such orders and notices to the parties in their liaison group. The

expenses incurred in performing the services of liaison counsel shall be shared equally by all members of the liaison group in a manner agreeable to the parties or established by the Court failing such agreement. At the first conference, liaison counsel and the parties should be prepared to discuss any additional matters consistent with the efficient operation of this function.

On or before Tuesday, March 25, 2008, at 1:00 P.M., plaintiffs shall confer and submit three (3) candidates, if possible, for the position of liaison counsel. Each candidate's name shall be submitted to the Court with a current *curriculum vitae* and any other pertinent information for the Court to consider. Applications for the position of liaison counsel which were submitted prior to the entry of this Order must be resubmitted by plaintiffs counsel in order to be considered by the Court.

In accordance with the designation of the defendant, the Court hereby **APPOINTS** Pepper Hamilton LLP as liaison counsel for the defendant. Copies of all correspondence, submissions or filings directed to this Court and related to this Multidistrict Litigation shall be served on the following:

Nina M. Gussack, Esquire

b. **PLAINTIFFS STEERING COMMITTEE.** The Plaintiffs' Steering Committee ("PSC") shall, at a minimum, have the following responsibilities:

b.1. **DISCOVERY.** The PSC shall:

- : Initiate, coordinate, and conduct all pretrial discovery on behalf of plaintiffs in all actions which are consolidated with the instant Multidistrict Litigation;
- : Develop and propose to the Court schedules for the commencement, execution, and completion of all discovery on behalf of all plaintiffs;
- : Cause to be issued in the name of all plaintiffs the necessary discovery requests, motions, and subpoenas pertaining to any witnesses and documents needed to properly prepare for the trial of relevant issues;
- : Conduct all discovery in a coordinated and consolidated manner on behalf of and for the benefit of all plaintiffs, in a fashion in keeping with practice guidelines to be established in subsequent discovery plans or orders of this Court.

b.2. **HEARINGS AND MEETINGS.** The PSC shall:

- : Call meetings of plaintiffs' counsel for any appropriate purpose, including coordinating responses to questions of other parties or of the Court;
- : Initiate proposals, suggestions, schedules, or joint briefs, and any other appropriate matter(s) pertaining to pretrial proceedings;
- : Examine witnesses and introduce evidence at hearings on behalf of plaintiffs;
- : Communicate on behalf of all plaintiffs at pretrial proceedings and in response to any inquiries by the Court, subject to the right of any plaintiff's counsel to present non-repetitive individual or different positions.

b.3. **MISCELLANEOUS.** In addition, the PSC shall:

: Submit and argue any verbal or written motions presented to the Court on behalf of the PSC and oppose when necessary any motions submitted by the defendant or other parties which involve matters within the sphere of the PSC;

: Negotiate and enter into stipulations with defendant regarding this litigation.

All such stipulations must be submitted to the Court for approval, except for purely administrative details. Any attorney not in agreement with a non-administrative stipulation may file with the Court a written objection thereto within ten (10) days after he or she knows or reasonably should have become aware of the stipulation. Failure to timely object shall be deemed a waiver, and the stipulation shall be binding on that party;

: Explore, develop and pursue all settlement options pertaining to any claim or portion thereof of any case filed in this litigation;

: Maintain adequate files of all pretrial matters and have them available, under reasonable terms and conditions, for examination by plaintiffs or their attorneys;

: Prepare periodic status reports summarizing the PSC's work and progress. These reports shall be submitted to the plaintiffs' liaison counsel, who will promptly distribute copies to the other plaintiffs' attorneys;

: Perform any task necessary and proper for the PSC to accomplish its responsibilities as defined or authorized by the Court's orders;

: Reimbursement for costs and/or fees for services will be set at a time and in a manner established by the Court after due notice to all counsel and after a hearing.

Furthermore, **on or before Tuesday, March 25, 2008, at 1:00 P.M.**, applications for PSC positions must be filed as an original with the Clerk's Office of the Eastern District of Pennsylvania. A copy must also be served on the Court and upon counsel named in the Panel Attorney Service List for MDL 1871, attached hereto as "Schedule B," on the day of filing. The main criteria for membership will be willingness and availability to commit to a time-consuming project, ability to work cooperatively with others, and professional experience in this type of litigation. Applications should succinctly address each of the above criteria and any other relevant matters. No submissions longer than three (3) pages will be considered. Only attorneys of record in this litigation may apply.

Objections may be made to the appointment of any applicant. Objections must be in writing, and must be filed with the Clerk in the original **on or before Friday, March 28, 2008**. Objections must be succinct, and must be supported by necessary documentation. Any objection also must be served on the Court and all counsel appearing on Schedule B on the day of filing. Finally, **on or before Tuesday, April 1, 2008**, applicants may reply to any such objection lodged against them. The filing and format requirements for objections apply in full to replies.

4. PROCEDURAL MATTERS. Until abrogated or amended by subsequent order of this Court, the following procedures shall govern in this matter.

A. SERVICE. Prior to the initial conference, service of all papers shall be made on each of the attorneys on the Panel Attorney Service List for MDL 1871, attached hereto as Schedule B. Any attorney who wishes to have his or her name added to or deleted from the Panel Attorney Service List may do so upon request to the Clerk and notice to all other persons on the service list. Service shall be deemed sufficient if made upon all attorneys on the Panel Attorney

Service List. The parties shall present to the Court at the initial conference a list of attorneys for purposes of service. The list shall include only one attorney for each party separately represented. An office address, email address, fax number and telephone number should be included for each attorney on the list.

B. EXTENSION AND STAY. The defendant is granted an extension of time for responding by motion or answer to the complaints until a date to be set by this Court. Pending the initial conference and further orders of this Court, all outstanding discovery proceedings are stayed, and no further discovery shall be initiated. Moreover, all pending motions must be refiled in the master docket case file and re-noticed for resolution on a motion day after the initial conference.

C. MASTER DOCKET FILE. The Clerk of Court will maintain a master docket case file styled "In re Avandia Marketing, Sales Practices and Products Liability Litigation" and the identification "MDL No. 1871." When a pleading is intended to be applicable to all actions, this shall be indicated by the words: "This Document Relates to All Cases." When a pleading is intended to apply to less than all cases, this Court's docket number for each individual case to which the document relates shall appear immediately after the words "This Document Relates To."

D. FILING. Documents subsequent to the initial complaint shall be filed with the Clerk of this Court and not with the transferor court. **All such pleadings shall be filed electronically through ECF.** Counsel shall take steps to be registered as electronic filers in the Eastern District of Pennsylvania and to familiarize themselves with the Court's administrative procedures for filing as soon as practicable. All entries are to be made on the master docket sheet (2:07-md-01871-CMR) with a notation listing the cases to which the document applies.

E. DOCKETING. When an action that properly belongs as a part of this MDL is hereinafter filed in the Eastern District of Pennsylvania or transferred here from another court, the Clerk of this Court shall:

1. File a copy of this Order in the separate file for such action;
2. Make an appropriate entry on the master docket sheet;
3. Mail the attorneys for the plaintiff in the newly filed or transferred case a copy of this Order;
4. Upon the first appearance of any new defendant, mail to the attorneys for such defendant a copy of this Order.

F. APPEARANCES. Counsel who appeared in a transferor court prior to transfer need not enter an additional appearance before this Court. Moreover, attorneys admitted to practice and in good standing in any United States District Court are admitted *pro hac vice* in this litigation, and the requirements of Local Rules 83.2.6 and 83.2.7 are waived. Association of local counsel is not required.

G. REMAND STIPULATIONS. In the event a case is remanded, the parties shall furnish to the Clerk of Court a stipulation or designation of the contents of the record and furnish all necessary copies of any pleadings filed, so as to enable the transferee clerk to comply with the order of remand.

H. PRESERVATION. All parties and their counsel are reminded of their duty, consistent with the Federal Rules of Civil Procedure, to take reasonable measures to preserve documents, electronically stored information and things (i.e., in cases brought on behalf of decedents, tissue sample or other biological evidence) that are potentially relevant. Upon

appointment of Plaintiffs' Steering Committee, counsel shall meet and confer as to the appropriate scope of preservation and, if unable to reach agreement, shall present their positions to the Court for resolution.

I. PROTECTIVE ORDER. Upon appointment of Plaintiffs' Steering Committee, counsel shall meet and confer as to the appropriate terms and conditions of a protective order governing the production of confidential information and documents. If unable to reach agreement, the parties shall present their positions to the Court for resolution.

5. DISCOVERY.

A. FILING OF DISCOVERY REQUESTS. In accordance with Federal Rule of Civil Procedure 5(d), discovery requests and responses are not filed with the Clerk nor sent to the Judge's Chambers, except when specifically ordered by the Court to the extent needed in connection with a motion.

B. DISCOVERY PLAN. A discovery schedule will be established at the initial pretrial conference. A substantive discovery plan will be established shortly thereafter, upon due consideration of the proposed case management order(s) to be submitted by counsel.

6. COMMUNICATION WITH THE COURT. Unless otherwise ordered by this Court, all substantive communications with the Court shall be in writing, with copies to opposing counsel.

7. COMMUNICATION BETWEEN COUNSEL. The Court recognizes that cooperation by and among plaintiffs' counsel and by and among defendant's counsel is essential for the orderly and expeditious resolution of this litigation. The communication of information among and between plaintiffs' counsel and among and between defendant's counsel shall not be deemed a waiver of the attorney-client privilege or the protection afforded attorney work product, and cooperative efforts

contemplated above shall in no way be used against any plaintiff by defendant or against defendant by any plaintiff. Nothing contained in this provision shall be construed to limit the rights of any party or counsel to assert the attorney-client privilege or the attorney work product doctrine.

It is so ORDERED.
